

The Heber Light and Power Plant erected in 1909.

Work proceeded and by March, 1909, the committee announced they were ready to install the power producing equipment. A Mr. Lund of Salt Lake City was hired on March 29, 1909 to install the equipment at a salary of \$125 per month during the time of installation. Laborers who were employed to work on the building were paid 25 cents an hour or 50 cents an hour if they furnished a team.

On May 10, 1909, E. Parley Cliff was appointed city electrician and his duty was to superintend the installation of wiring in homes through
